

Alice Cooper, Hard Hearted Alice

Nights coast to coast
Work hard as a ghost
When you live in a countdown
Time is free as a jailbird
At least that's what I've hearda
When you live in a...

Love comes cheap at a swap meet
It all comes so dirt cheap
When you live in a bedroom
Love that's deep as a lever
But that ain't a measure
When you live in a castle

Mind gets scrambled like eggs
Gets bruised and erased
When you live in a brainstorm
Noise seems logically right
Ringing in the night

Hard hearted Alice
Is what we wanna be
Hard hearted Alice
Is waht you want to see
