

# Alice Cooper, I Better Be Good

If I ain't cool  
My daddy gonna send me  
To Military School  
If I ain't nice  
My girlie gonna freeze me  
With cold shoulder ice  
If I'm real late  
My teacher gonna use me  
For alligator bait  
So, I better be good  
I better be good

If I jump on the gas  
The cops are gonna jump  
All over my back  
If I smoke too much  
Doctor says he's gonna  
Put my lungs in a crutch  
If I'm caught without my pants  
Consuelo's dad is gonna shoot  
Until he sees me dance

So, I better be good  
I had better be good  
You better be nice  
You better be nice  
You better be nice  
You better be nice  
Nice, nice, nice...you better be  
Nice, nice, nice...you better be  
Nice, nice, nice...Uh, uh, uh, uh  
Nice, nice, nice

Nice, nice, nice  
Nice, nice, nice  
You better be nice tonight

If I spray it on the seat  
Lady gonna tie a big knot  
In the meat  
If I spewey too fast  
Lover's gonna stick  
My Wrangler in a cast  
If zipper grabs skin  
I'll know I had it out  
When I shoulda kept it in  
Ow

I better be good  
I better be good  
I better be good  
Ooh

You better be nice  
You better be nice  
You better be nice  
You better be nice  
Nice, nice, nice...you better be  
Nice, nice, nice...you better be  
Nice, nice, nice...Uh, uh, uh, uh  
Nice, nice, nice

I'd better be nice tonight - yeah  
Nice, nice, nice

Nice, nice, nice  
Nice, nice, nice
