

Alice Cooper, I Got A Line On You [from the Motion Picture "Iron Eagle II"]

Yeah
Oh yeah, come on
Now let me take you, baby, down to the river bed
Well, I got to tell you something
That'll go right through your head, yeah
I got a line on you, babe
(I got a line on you, babe)
Yeah, I got a line on you
(I got a line on you, babe)
Come on
Now put your arms around me, every little bit of your love
Oh, you know what to do, I'll make love to you
You got the right stuff, and I do too
I got a line on you, babe
(I got a line on you, babe)
Yeah, I got a line on you
(I got a line on you, babe)
Yeah
Got my eye on you, baby, on your velvet skin
I wanna put my hands where they've never been
Get real hot in the midnight steam
Soaking in the rain of my favorite dream
Your lips are red, the moon is blue
I only ask you once what you want to do
Gonna touch you, babe, 'til the night is through
Look out, honey, got a line on you
Oh yeah
Oh, now the winter's almost over
The summer she's coming on strong
Oh, I could love you, love you, love you
Love you all year long, yeah
I got a line on you, babe
(I got a line on you, babe)
Yeah, I got a line on you
(I got a line on you, babe)
Ah, yeah
I got a line on you, babe
(I got a line on you, babe)
Yeah, I got a line on you
Yeah, yeah, yeah
I got a line on you, babe
(I got a line on you, babe)
I got a line on you
(I got a line on you, babe)
