

# Alice Cooper, I Got A Line On You [from the Motion Picture "Iron Eagle II"]

Yeah  
Oh yeah, come on  
Now let me take you, baby, down to the river bed  
Well, I got to tell you something  
That'll go right through your head, yeah  
I got a line on you, babe  
(I got a line on you, babe)  
Yeah, I got a line on you  
(I got a line on you, babe)  
Come on  
Now put your arms around me, every little bit of your love  
Oh, you know what to do, I'll make love to you  
You got the right stuff, and I do too  
I got a line on you, babe  
(I got a line on you, babe)  
Yeah, I got a line on you  
(I got a line on you, babe)  
Yeah  
Got my eye on you, baby, on your velvet skin  
I wanna put my hands where they've never been  
Get real hot in the midnight steam  
Soaking in the rain of my favorite dream  
Your lips are red, the moon is blue  
I only ask you once what you want to do  
Gonna touch you, babe, 'til the night is through  
Look out, honey, got a line on you  
Oh yeah  
Oh, now the winter's almost over  
The summer she's coming on strong  
Oh, I could love you, love you, love you  
Love you all year long, yeah  
I got a line on you, babe  
(I got a line on you, babe)  
Yeah, I got a line on you  
(I got a line on you, babe)  
Ah, yeah  
I got a line on you, babe  
(I got a line on you, babe)  
Yeah, I got a line on you  
Yeah, yeah, yeah  
I got a line on you, babe  
(I got a line on you, babe)  
I got a line on you  
(I got a line on you, babe)
