Alice Cooper, I Just Wanna Be Good

I'm in control I got a bulletproof soul And I'm full of self-esteem I invented myself with no one's help I'm a prototype supreme I sit on my private throne And run my lifestyle all alone Me, myself and I agree We don't need nobobdy else I never learned to bow, bend or crawl To any known authority I really want to build my statue tall That's all I'm just trying to be God I only wanna be God I just wanna be God Why can't I be God? I got no time to take advice I want to gamble with my eternity With loaded dice I don't need a preacher in my face When I'm the omnipresent ruler of the human race Ain't gonna Spend my life being no one's fool I was born to rock and I was born to rule But if I'm wrong on judgement day I'm royally screwed with hell to pay I never learned to bow, bend or crawl To any known authority I really want to build my statue tall That's all I'm just trying to be God I only wanna be God I just wanna be God Why can't I be God? I'm just trying to be God I only wanna be God I just wanna be God Why can't I be God? I'm just trying to be God I only wanna be God I just wanna be God Why can't I be God?
