Is Anyone Home (off Fistful of Alice)

- Talking in my sleep, next to no one
- Never never, say never again
- I can't rise and shine
- No I won't even try
- My rainy windows are crying crying
- Shoulda Woulda Coulda been
- Like it shoulda been
- A contender like Marlon Brando
- Eani Meani Minei Mo
- Caught a virus won't let go
- Been down so long it looks like up to me
- I'm so lonely, I can almost taste it
- In a perfect world, I'd just be wasted
- Send me an angel, wrap me in her wings
- Hello, Hello, Hello.
- Is anyone home?
- Well, people love to talk
- When I can hardly walk
- To them I'm probably just the "News at Eleven"
- It's the edge of night
- As the world turns
- Misunderstood it's just the wrong medication
- I wish, I wish, upon a star
- I wish it hadn't gone this far
- Been up so long it looks like down to me
- I'm so lonely, I can almost taste it
- In a perfect world, I'd just be wasted
- Send me an angel, wrap me in her wings
- Hello, Hello, Hello.
- Is anyone home?
- Hello, Hello.
- I'm really really wasted
- I live in a big doll house
- And nobody's home
- Just me and my mouse
- I live in a big dark house
- And nobody's home
- Just me and my mouse
- I'm so lonely, I can almost taste it
- In a perfect world, I'd just be wasted
- Send an angel, my own little angel
- Hello, Hello.
- Is anyone home?
- Is anyone home?
- Hello, Hello
- Is anyone home?
- Hello, Hello, Hello
- Is anyone home?
- Hello, Hello
- Is anyone home?
- Hello, Hello, Hello
- Is anyone home?
- Hello, Hello, Hello
- Is anyone home?
- Hello, Hello, Hello
- Is anyone home?
