

Alice Cooper, Killer

What did I do to deserve such a fate?
I didn't really want to get involved in this thing
Someone handed me this gun and I
I gave it everything
Yeah, I gave it everything

I came into this life, looked all around
I saw just what I liked and took what I found
Nothing came easy, nothing came free
Nothing came at all until they came after me

Yeah-hey, yeah
What did I do to deserve such a fate?
I gave it everything
Now I need to escape
Someone near to me, calling my name
I gave it everything
I gave it everything
