## Alice Cooper, Killer

What did I do to deserve such a fate? I didn't really want to get involved in this thing Someone handed me this gun and I I gave it everything Yeah, I gave it everything

I came into this life, looked all around I saw just what I liked and took what I found Nothing came easy, nothing came free Nothing came at all until they came after me

Yeah-hey, yeah What did I do to deserve such a fate? I gave it everything Now I need to escape Someone near to me, calling my name I gave it everything I gave it everything
