

# Alice Cooper, Man With The Golden Gun

The man  
With the golden gun  
Is waiting  
Somewhere  
Out there  
For you

But you'll never see him  
He'll be looking for you

Demand  
For the golden gun  
It's high priced  
Precise  
And true

But you'll never see him  
He'll be looking for you

The man with the golden  
Gun in his pocket  
Oh, oh  
The man with the golden  
Gun in his case  
Oh, oh  
The man with the golden  
Gun in your face

But you'll never see him  
He'll be looking for you  
You better believe  
He'll be looking for you

He's, the man with the golden  
Gun in his pocket  
The man with the golden  
Gun in his case  
The man with the golden  
Gun in his pocket  
The man with the golden  
Gun in your face

But you'll never see him  
He'll be looking for you  
You better believe  
He'll be looking for you

He's, the man with the golden  
Gun in his pocket  
The man with the golden  
Gun in his case  
The man with the golden  
Gun in his pocket  
The man with the golden  
Gun in your face

The man with the golden  
Gun in his pocket  
The man with the golden  
Gun in his case  
The man who gave you the golden gun
