

Alice Cooper, Only Women

Man's got his woman to take his seed
He's got the power, oh she's got the need
She spends her life through pleasing up her man
She feeds him dinner or anything she can
She cries alone at night too often, he smokes and drinks
And don't come home at all, only women bleed
Only women bleed, only women bleed
Man makes your hair gray, he's your life's mistake
All you're really lookin' for is an even break
He lies right at you, you know you hate this game
He slaps you once in a while and you live and love in pain
She cries alone at night too often, he smokes and drinks
And don't come home at all, only women bleed
Only women bleed, only women bleed, only women bleed
Only women bleed, only women bleed, only women bleed
Black eyes all of the time, don't spend a dime
Clean up this grime and you there down on your knees
Begging me, "Please, come watch me bleed"
Only women bleed, only women bleed
Only women bleed, only women bleed
Only women bleed, only women bleed
Only women bleed
