

# Alice Cooper, Only Women Bleed

Man's got his woman to take his seed  
He's got the power,  
Oh, she's got the need,  
She spends her life  
Through pleasing up her man.  
She feeds him dinner  
Or anything she can.

[Chorus:]  
She cries alone at night too often.  
He smokes and drinks  
And don't come home at all.  
Only women bleed....

Man makes your hair grey.  
He's your life's mistake.  
All you're really looking for  
Is an even break.  
He lies right at you.  
You now hate this game.  
He slaps you once in a while  
And you live and love in pain.

[Chorus]  
Black eyes all of the time,  
Don't spend a dime,  
Clean up this grime,  
And you there down on your knees  
Begging me please come watch my bleed  
Only women bleed.....
