

Alice Cooper, Shoe Salesman

I know a shoe salesman
He's an acquaintance of mine
One day he showed me some
Marks on his arm in a line
I did not know what to say
"Do you think those freckles will stay?"
I need a popsicle
Do you want lemon or lime
I've got a special today
If you've got the time
Winking, she poked me in the side
"Well, we could go for a ride"
I did not know what to say
"Do you think those freckles will stay?"

Well, you think that she will see
I don't think she will see

Yeah..
