

# Alice Cooper, Welcome To My Nightmare

Welcome to my nightmare  
I think you're gonna like it,  
I think you're gonna feel  
Like you belong,  
A nocturnal vacation,  
Unnecessary sedation,  
You want to feel at home  
Cause you belong,  
Welcome to my nightmare.  
Welcome to my breakdown.  
I hope I didn't scare you.  
That's just the way we are  
When we come down.  
We sweat, laugh and scream here,  
Cuz life is just a dream here.  
You know inside you  
Feel right at home, here  
Welcome to my breakdown.  
Whoa, You're welcome to my nightmare,  
Yeah, I think you're gonna like it,  
I think you're gonna feel  
That you belong,  
]We sweat, laugh and scream here,  
Cuz life is just a dream here.  
You know inside you feel  
Right at home here,  
Welcome to my nightmare.  
Welcome to my breakdown. Yeah
