

Alice Cooper, What Baby Wants (feat. Ke\$ha)

She gonna come for you
And you can try to run and hide
No matter what you do
She gonna take you deep inside
You're thinking this could be a dream come true
But you don't really understand
She feeds on flesh and blood and boys like you
She gonna make you be a man
She'll take your bleeding heart and your soul, no regrets
'Cause what baby wants
Baby gets
What baby wants, yeah
Baby gets
I got a pretty face
Yeah but, I seen what's hiding underneath
You like my pretty mouth
But you got razor blades instead of teeth
And now it's too, too late for you
Oh yeah? Tell me what you're gonna do
I'm gonna drain your veins and bathe in your blood
Honey, I've seen worse than you
I'll make you sit, beg, roll over, play dead
Ain't gonna be your little pet
Oh really...
What baby wants
Baby gets
What baby wants
Baby gets
Baby tells lies
Baby looks you in the eyes
It's her aphrodisiac
When she stabs you in the back
She comes on like a saint
But that's exactly what she ain't
Not a damsel in distress
She's the devil in a dress
She's gonna stay with you
She's gonna play with you
That's one thing you can bet...
'Cause what baby wants
Baby gets
What baby wants
Baby gets
I'll make you sit, beg, roll over, play dead
I'm gonna be your little pet
'Cause what baby wants
Baby gets
What baby wants
Baby gets
