

Alice DeeJay, Better Off Alone

Do you think you're better off alone?
Do you think you're better off alone?
Do you think you're better off alone?
Do you think you're better off alone?
Talk to me, ooh, talk to me
Talk to me, ooh, talk to me
Do you think you're better off alone?
Do you think you're better off alone?

Do you think you're better off alone?
Do you think you're better off alone?
Do you think you're better off alone?
Do you think you're better off alone?
Talk to me, ooh, talk to me
Talk to me, ooh, talk to me
Talk to me
