

# Alice DeeJay, I can see it in your eyes

I can see it in your eyes!  
I can see, see it in your eyes  
I can feel, yes it feels so nice  
I can tell, my love is strong  
Telling me how you are the one  
I can see, see it in your eyes  
I can feel, yes it feels so nice  
I can tell, I love you over and over  
And over and over again  
I can see, see it in your eyes  
I can feel, yes it feels so nice  
I can tell, my love is strong  
Telling me how you are the one  
I can see, see it in your eyes  
I can feel, yes it feels so nice  
I can tell, I love you over and over  
And over and over again  
Whatever makes you happy  
Whatever makes you cry  
Whatever takes to hold you  
My dream is still alive  
Everytime I see you laughing  
Everytime your passing by  
Everytime I hear you talking  
I feel there something in the sky  
I can see, see it in your eyes  
I can feel, yes it feels so nice  
I can tell, my love is strong  
Telling me how you are the one  
I can see, see it in your eyes  
I can feel, yes it feels so nice  
I can tell, I love you over and over  
And over and over again  
Whatever makes you happy  
Whatever makes you cry  
Whatever takes to hold you  
My dream is still alive  
Everytime I see you laughing  
Everytime your passing by  
Everytime I hear you talking  
I feel there something in the sky  
I can see it in your eyes
