

# Alice DeeJay, No More Lies

Why is it so hard to believe  
That we're living in a world of dreams  
We don't deny what our love means now  
So I know, truth is just an illusion

There'll be no more lies  
If we don't deny  
What our love means now  
There'll be no more lies

No more, no-no-no more (7x)  
There'll be no more lies  
If we don't deny  
What our love means now

There'll be no more lies  
There'll be no more lies  
If we don't deny  
What our love means now  
There'll be no more lies
