

Alice DeeJay, The lonley one

You don't have to be the lonely one
You don't have to be the lonely one
You don't have to be the lonely one
You don't have to be the lonely one
Come on-come on Baby
Come on-come on Baby
Come on-come on Baby
Come on-come on Baby,
you drive me crazy
Come on-come on Baby
You don't have to be the lonely one
You don't have to be the lonely one
You don't have to be the lonely one
You don't have to be the lonely one
Take me higher
Take me higher
Take me higher
Take me higher
Higher and higher
You don't have to be the lonely one
You don't have to be the lonely one
You don't have to be the lonely one
You don't have to be the lonely one
