

Alice DeeJay, Waiting For Your Love

Waiting, waiting, waiting, waiting, waiting, waiting
I'm waiting for your love
I'm waiting for your love, don't want to lose that feeling
I'm waiting for your love, let me hold you in my arms
I'm waiting for your love, don't want to lose that feeling
I'm waiting for your love, let me hold you in my arms tonight
I'm waiting for your love
I'm laying in my bed crying
Waiting for your love
Oh, can you give me one more chance?
I'm waiting for your love, don't want to lose that feeling
I'm waiting for your love, let me hold you in my arms
I'm waiting for your love, never want to lose that feeling
I'm waiting for your love, let me hold you in my arms tonight
Waiting, waiting, waiting, waiting, waiting, waiting
I'm waiting for your love
