Sick little schoolgirls rolling round on my floor.

Rednecks sucking life from a can.

I watch her exercise everyday - it's so healthy.

Burning crosses and Biblemania.

I got a monster Trans Am - it's so fucking cool.

I got Jimmy Hoffa floating in my swimming pool.

All my kids eat drugs, got my cigarettes.

Don't give a fuck!

Ooooooooooooh.

Here come American fingers.

Here come American lips.

737 exploding Boeing jets.

Hemorrhoids and growing nuclear threat.

My president has colo-rectal cancer.

Bloody french fries at my McDonald's McMassacre.

Black and Hispanic dying underclass.

Baseball jocks cutting lines on glass.

Monosodium glutamate to cook in my wok.

I got a herpes sore on the tip of my cock.

Ooooooooooooh.

Here come American fingers.

Here come American lips.

Ooooooooooooh.

Here come American fingers.

Here come American lips.
