

Alice Donut, Cain

Alice Donut
Pure Acid Park
Cain
Guess you heard
About the incident
At the high school
It's unfortunate

Out by nag's head
Diamond marsh
They say the body
Was found in parts
You need good friends
Times like these
My heart's bleeding
For the family

Good to meet ya
You can call me cain
Good old comfort
In the pouring rain

Yeah good to meet ya
You can call me cain
My heart's bleeding
From all the pain

You're a good egg
I can tell
Gonna get to know ya
Real well

Marietta!

No one's leaving now
No one's getting out
