Miscellaneous
Lydia's Black Lung
I'm laid out
Like a martyr on a redwood plaque.
She's burning
the ticks right off my back.

I'm indulgent I like to cater to peculiar whims She's fascinated by my artificial limbs

Asphyxiation Love's monstrous charm Asphyxiation A slow suicide

My life's expended for my last cigarette Extreme unction and pulmo-cardiac arrest.

Asphyxiation Love's monstrous charm Asphyxiation A slow suicide

..and I smother myself.
