

Alice In Chains, Dam That River

Alice In Chains

Dirt

Dam That River

I Broke You In The Canyon

I Drowned You In The Lake

You A Snake That I Would Trample

Only Thing I'd Not Embrace

Oh, You Couldn't Dam That River

And Maybe I Don't Give A Damn Anyway

So You Couldn't Dam That River

And It Washed Me So Far Away

I Pushed And Then You Stumbled

I Kicked You In The Face

You Stare At Me So Hollow

Got To Keep That Killin' Pace

Oh, You Couldn't Dam That River

And Maybe I Don't Give A Damn Anyway

So You Couldn't Dam That River

And It Washed Me So Far Away

I Burned The Place Around You

I Hit You With A Rake

You Piss Upon My Candle

So Proving You're A Fake
