

# Alice In Chains, I stay away

Yeah, I want to travel south this year  
Aah, woah, woah  
Won't prevent safe passage here

Why you act crazy  
Not an act maybe  
So close a lady  
Shifty eyes shady

Yeah, hey yeah,  
Tears that soak a callous heart  
Why you act frightened  
I am enlightened  
Your weakness builds me  
So someday you'll see I stay away

Why you act crazy  
Not an act maybe  
So close a lady  
Shifty eyes shady

I stay away  
I stay away  
I stay away  
I stay away
