

Alice In Videoland, Addicted

I'm addicted to the thrill
that's making other people ill
Come get crazy with me boy
Let's cross the limits and enjoy
Let's go totally insane
Don't mind your manners or your brain
Give up give in to your desire
Watch me burn, i'm on fire
Feel it rushing through my veins
I'm on fire
I'm an addict, i'm insane
I'm a liar
Feel the passion, feel the pain
It's desire
I'm on fire, i'm burning
I'm on fire
