

Alice Nine, Dice

Do you like this anyway?
Dice was thrown, now. No one can stop that.
Faster and faster.
We don't change even if six or one comes out.
Furiously and furiously.
Tell me the truth, tell me the existing meaning.
Call my name, raise a loud voice now.
sai wa furare koma wa mawari tsuzukete
kezurareta (shouhirareta) subete e
hai ni nareba kaeru basho wa aru kedo
sore made wa... nemurenai
Erase an uncertain element if you feel uneasy.
Faster and faster.
Time doesn't wait you, Make up your mind by yourself.
Furiously and furiously.
Tell me the truth, tell me the existing meaning.
Call my name, raise a loud voice now.
azamuki azamukarete
mizou no paatii e to
sai wa furare koma wa mawari tsuzukete
kaketa no wa mizukara
shiro ka kuro ka kimeru no wa mada hayai
saa warutsu wo odorou
Only a fool is pleased with such a thing.
Play the fool with me till the end.
