

Alice Peacock, Baby Come Back

Baby come back, baby come back, baby come
Baby come back, baby come back, baby come
Baby come back, baby come back to me

I was wrong and I know it
So much pain in your eyes
And I've no way of knowing
If you're leaving this time

[Chorus]

I've got no excuses
What good would they do?
I'm empty on the inside
I'm losing you
In my heart of hearts I pray
You'll find forgiveness for me someday
If it's not too much to ask
Baby I want you back

[Chorus]
