

Alice Peacock, I'll Be the One

Sometimes when I open my mouth
It's anyone's guess what might come out
Last one to know is usually me
But my life is an open book
I'll spell it out for you, you can take a look
You might not like what you see
Hey, I'm not what you're looking for
I can tell you that so much more
'Cause baby
I'll be the one, who makes you cry
I'll be the first to say goodbye
You'll look for me and I'll be gone
'Cause I'll be, I'll be the one
The girl in the sunshine does
With her backpack full of emptiness
Won't be misleading you today
She knows from the soles of her shoes
There's a lot more than lonely blues
Seems that the only thing she plays
And hey, I'm not the girl you used to know
And that's why you gotta let me go
'Cause baby
I'll be the one, who makes you cry
I'll be the first to say goodbye
You'll look for me and I'll be gone
'Cause I'll be, I'll be the one
I know these aren't the words
You wanted me to say
But you're got to give it to yourself
Before you give it all away
Hey, I'm not the girl you used to know
And that's why you gotta let me go
'Cause baby
I'll be the one, who makes you cry
I'll be the first to say goodbye
You'll look for me and I'll be gone
Yeah, I'll be, I'll be the one
I'll be the one, who makes you cry
I'll be the first to say goodbye
You'll look for me and I'll be gone
'Cause I will be, I will be the one
I'll be, I'll be the one
I'll be, I'll be the one
I'll be the one
That's all I ever be
