

# Alice Ripley, Hey #2

Hey, hey, so tomorrow's the dance  
It's annoying I know but let's go, not a chance  
Let me know you again, not right now  
Okay, when? Say wait and I'll wait  
It's already too late  
There's no way it's too late, there's no way  
(Hey, hey)  
I stayed by your side  
(Will you listen? Just shut up and listen)  
Why do I get denied?  
You remind me of me and how fucked up I can be  
Okay, hey, let's start over, clean slate  
I'll come by here at 8  
If you show then we'll go  
If you don't, well we'll see  
You just don't give up  
So don't give up on me  
Goodbye Henry
