

# Alice Ripley, It's Gonna Be Good

It's gonna be good  
It's gonna be good  
It's gonna be good  
It's gonna be good  
It's gonna be good  
Two weeks and it's all working just the way I knew it would  
And I don't sit and work just waiting for the phone to ring  
It's a good, good, good, good thing  
It's gonna great, it's gonna be fun  
The sex is still amazing and we don't stay up that late  
It's almost been a month and she's happy as a clam  
Do I look great? I am  
Natalie and this must be Harry, a pleasure to finally meet you  
Come in, why don't you come in and join us for dinner?  
Dad, Henry can't really stay, he's got  
It's gonna be good, homework  
It's gonna be good, surgery  
We'll sit right down together like a happy family should  
Rabies, we'll eat and talk and laugh and joke  
My pride, my brood and me  
It's gonna be good, you'll see  
We'll smile and chat and just like that it'll all be all okay  
It's gonna be great, it's gonna be great  
It's gonna be, gonna be, gonna be great that way, hey  
It's gonna be good, it's gonna good  
We'll sit right down together like a happy family should  
And eat and talk and laugh and joke  
My family and me  
It's gonna be good, gonna be good  
Gonna be, gonna be, gonna be, gonna be, gonna be  
Good, good, good, good, good, good, good, good, good, good  
Gonna be good, gonna be good, gonna be good you'll see
