

# Alice Ripley, It's Gonna Be Good (Reprise)

It's gonna be fine, it's gonna be fine  
Gotta go back to the doctor 'cause we caught it just in time  
We'll take the pills, we'll pay the bills, we'll do more ECT  
Our son  
It's gonna be good, you'll see  
What was his name?  
It's gonna be good, you'll see  
What was his name?  
What was his name?  
What was his name?  
What was his, what was his  
What was his, what was his name?  
Name, name, name, name, name, name, name  
What was his name?  
What was his name?
