

Alicia Keys, As I Am

Alicia Keys

As I Am

As I Am

I just want you close

Where you can stay forever

You can be sure

That it will only get better

You and me together

Through the days and nights

I dont worry cuz

Everythings gonna be alright

People keep talking

They can say what they like

But all I know is everythings gonna be alright

No one no one no one

Can get in the way of what Im feeling

No one no one no one

Can get in the way of what I feel for you

You you

Can get in the way of what I feel for you

When the rain is pouring down

And my heart is hurting

You will always be around

This I know for certain

You and me together

Through the days and nights

I dont worry cuz

Everythings gonna be alright

People keep talking

They can say what they like

But all I know is everythings gonna be alright

No one no one no one

Can get in the way of what Im feeling

No one no one no one

Can get in the way of what I feel for you

You you

Can get in the way of what I feel for you

I know some people search the world

To find something like what we have

I know people will try

Try to divide

Something so real

So till the end of time

Im telling you that

No one no one no one

Can get in the way of what Im feeling

No one no one no one

Can get in the way of what I feel for you

oh oh oh ...
