

Alicia Keys, Blended Family (ft. A\$AP Rocky)

Hey Imma really be a mother
That don't mean that I don't really love you
Even though I married your father
That's not the only reason I'm here for you

I think you're beautiful
I think you're perfect
I know how hard it gets
But I swear it's worth it, worth it
Cause what you do, what you do, what you do
What you do for love
There ain't nothing, there ain't nothing, there ain't nothing
There ain't nothing I won't do for us
It may not be easy
This baby for money but baby
Cause what you do, what you do, what you do
What you do for love

I know it started with a little drama
I hate that you had to read it in the paper
But everything's own with me being your mama
Baby everyone here knows they adores you, and

I think it's beautiful
I think it's perfect
I know how hard it gets
But I swear it's worth it, worth it

Cause what you do, what you do, what you do
What you do for love
There ain't nothing, there ain't nothing, there ain't nothing
There ain't nothing I won't do for us
It may not be easy
This baby for money but baby
Cause what you do, what you do, what you do
What you do for love, for love, for love

Are you this real my true love
Cause you're my baby, rejoice daily
I believe love could bring us closer than blood
I remember having four step moms at nine
Loved Christmas time and birthday was fly
Ate at my sisters just for dinner cause the cooking was bomb
Her mothers supper made me love her like she took me to prom
And shoutout to my sisters on welfare
Flacko care, nobody else care
And shutout to the step sisters and step brothers
And god-sisters, who eventually slept with us
Real love, but you do it right, alright
I'm here for you
That is alright, alright

Cause what you do, what you do, what you do
What you do for love
There ain't nothing, there ain't nothing, there ain't nothing
There ain't nothing I won't do for us
It may not be easy
This baby for money but baby
Cause what you do, what you do, what you do
What you do for love

That's just what you do (for love)
For love of the babies (for love)
We're a blended family (for love)

And it's alright (for love)
Said it's alright!
