Like a damsel in distress
i'm stressing you
my castle became my dungeon
cause i'm lonely for you
lonely for you babe
feeling strong for you
your my knight in shining armour
see you face in a silver moon
all over the lagoon
and it feels like

(chorus)
dragon days
and the fires hot
like a desert needs water
I need you alot
dragon days
I need to be safe
I'm missing you
and the days drag on and on

desperate for you baby
do you know what that means
that means I
feel like an addict must feel
when he pheins
in a act of desperation
I get lost in my dreams
cause like a lady awaiting
i'm waiting for ya
prisinous times over alligator water
waiting for
my prince of paradise to come
and take me away
from these
(tock tick)

(chorus)
don't you wanna play

d-r-a-g-o-n-days
got me d-r-a-g-g-i-n
cause i want you babe
and I need you baby
ohhhh

(chorus)
