

# Alicia Keys, Doncha Know (Sky Is Blue)

If you think the sky is falling  
Coming undone  
All the pieces crumble  
You're on the run  
All of the room you've taken  
All the rules you're breaking  
Don't you know the silent truth is  
It comes back to you  
Doncha know the sky is blue  
Can't you see the sun in breaking through  
Have a little faith in you  
Doncha know the sky is blue  
Everytime you walk out that door  
Cursing the sky  
Feeling like you've been cheated  
Ripped from inside  
Doncha know the sky is blue  
Cant you see the sun in breaking through  
Have a little faith in you  
Doncha know the sky is blue  
Come on  
Mmm  
Mmm, yea.  
Na nanana na  
Na na nananana na nanana  
Doncha know the sky is blue  
Can't you see the sun in breaking through  
Have a little faith in you  
Doncha know the sky is blue  
Doncha know the sky is blue  
Hey!  
Doncha know the sky is blue  
Come on!  
The sky is blue  
Say it!  
The sky,  
Sky  
I'm telling you  
The sky is blue  
Baby  
Whoo-hoo!  
Doncha know the sky  
Sky  
Sky  
Sky-haa!  
Hey!  
Hey!  
Na nanana na  
Na na nananana na nanana
