

# Alicia Keys, Fight

(from "Ali"; soundtrack)

Heyy  
Where's your faith in Jesus?  
Mmhmm Mmmhmm Mmhmm Mmhmm  
You think I don't understand  
You think your baby don't know whats goin on  
How come everyone keeps tellin me  
What my own two eyes should see  
Where's your faith in me?  
and I still got love for you  
and I still gonna pray for u  
and I still got hope for u  
and I still gotta make my moves  
I don't care what they say 2 you  
Still gotta thing to do  
Fightin is all I knew  
So what am I supposed to do

Cuz I'm willing 2 Fight (Fight),  
Fight for you  
Didn't come all this way just to lose  
Didn't give you my heart so you could break it  
We're gonna make it  
Even if I have to Fight (Fight)  
For you

Freedom is a basic right  
You can't take whats mine  
I won't let nobody hold me down  
Gotta Fight  
Gotta keep my dignity  
Gotta do what I believe  
Can't you see I'm tryin to make a stand

and I still got love for you  
and I gonna pray for u  
and I still got hope for u  
and I still gotta make my moves (brotha)  
I don't care what they say 2 you (sista)  
Still gotta thing to do  
Fightin is all I knew  
So what am I supposed to do

Cuz I'm willing 2 Fight (Fight),  
Fight for you  
Didn't come all this way just to lose (no, no, no, no, no)  
Didn't give you my heart so you could break it  
We're gonna make it  
Even if I have to Fight (Fight)  
For you

Fight, Fight, Fight, Fight  
Cuz I'm willin 2 fight  
(you know that I'll fight for you)  
didn't come all this way just to lose  
Oh Baby, Oh Baby no  
didn't give u my heart so you can break it  
We're gonna make it (said we're gonna make it)  
even if I have to Fight (fight)  
for you

Cuz I will if I have to, if I have to i will, u know I will if i have to, if i have to I will u know I will  
if I have to, if i have to I will...oooh

said I'll fight for ya baby...
