

# Alicia Keys, Goodbye

Mhmn bye bye

How do you love someone  
That hurts you oh so bad  
With intentions good  
Was all he ever had

But how do I let go when I've  
Loved him for so long and I've  
Given him all that I could  
Maybe love is a hopeless crime  
Giving up what seems your lifetime  
What went wrong with something once so good

How do you find the words to say  
To say goodbye  
If your heart don't have the heart to say  
To say goodbye

I know now I was naive  
Never knew where this would lead  
And I'm not trying to take away  
From the good man that he is

But how do I let go when I've  
Loved him for so long and I've  
Given him all that I could  
Was it something wrong that we did  
Because others infiltrated  
What went wrong with something once so good

How do you find the words to say  
To say goodbye  
If your heart don't have the heart to say  
To say goodbye

Is this the end are you sure  
How should you know when you've never been here before  
It's so hard to just let go  
When this is the one and only love I've ever known

So how do you find the words to say  
To say goodbye  
If your heart don't have the heart to say  
To say goodbye

(Fade out)
