

Alicia Keys, Harlem Nocturne

(piano)

Drop it

Yeah, yeah

Come in for a minute,

Welcome back

It's just me and you in this room right now

There's so many things that are on my mind

Ah yeah, ah yeah

Sometimes it's hard to say

So I take all I've got

And so I take all I have

And I put it into this

I put it right here in my diary

Can u feel it?

Uh, uh, uh

Take this journey with me
