That you know you got me under wraps, locks and keys
and
And that without you I just, Im gonna be lost
But I got somethin else for you

Baby, I used to sit home waitin for your call
I used to have your picture hangin on my wall
Used to think you were right, but you was
I used to miss you, now Im glad that youre gone, I,

Baby, I dont care if you dont wanna call me no more
(Yeah...yeah...)

And I got 999 men knockin on my door
Cause Im the juiciest, baby, girl around (Baby girl,

I used to like when youd come and hold me tight
I used believe we would never part, no
