Alicia Keys, Pray For Forgiveness

[** iTunes Deluxe Edition Bonus Tracks:]
Beautiful garden, where have you gone?
My self delusions are leaving me in the storm
Taking for granit, all the goodness that I've found
Somewhere I lost all, the control came crashing down
And I pray for forgiveness

Look for the answer

Cause it's hard

For me to pretend

Look to my mother

Call to the captain

Can't you see

This state that I'm in

No one would notice

Nobody noticed

Cause it's me where it began

Beautiful morning, please don't wake me from my sleep

Cause I need some comfort, to regain my sanity

? I don't want to feel this crazy,

I don't want to feel this heartache

2

I'm so broken hearted

No where left to run

No where left to go

So I hope

I pray for forgiveness

Look for the answer

Cause it's hard for me to pretend

Look to my mother

Call to the captain

Can't you see

This state that I'm in?

And no one would notice

Nobody noticed

That it's me, where it began

And I pray for forgiveness within

I swear that everyday I feel like my mind is haunting me

I think of every little stupid mistake that is made

This time I'll have the strength to gather myself

I'm falling to pieces

And I pray for forgiveness

Look for the answer

Cause it's hard for me to pretend

Look to my mother

Call to the captain

Can't you see

This state that I'm in

Pray for forgiveness

Looking for justice

Searching for answers

Call to my mother

Pray for forgiveness

Breaking the silence

Nobody knows it, nobody noticed

That's it me

Where it began
