

Alicia Keys, Quantum Of Solace Theme Song

JW: Another ringer with the slick trigger finger for Her Majesty

AK: Another one with the golden tone voice and then your fantasy

JW: Another bill from a killer turned a thrill into a tragedy

CHORUS:

A door left open

A woman walking by

A drop in the water

A look in the eye

A phone on the table

A man on your side

Someone that you think that you can trust is just

Another way to die

JW: Another tricky little gun giving solace to the one that will never see the sunshine

AK: Another inch of your life sacrificed for your brother in the nick of time

JW: Another dirty money, heaven sent honey turning on a dime

[CHORUS]

Its just another way to

Hey

Its just another way to

Youve got to.

JW: Another girl with her finger on the world singing do what you wanna hear

AK: Another gun thrown down and surrendered took away your fear

JW & AK: Another man that stands right behind you looking in the mirror

[CHORUS]

Its just another way

Suit em up, bang bang!

Bang, bang, bang, bang.
