

# Alicia Keys, Rearview Mirror

Alicia Keys - Rear View Mirror

Uh Yeah  
A Keys  
Rear View  
Uh Oh Uh Oh  
Uh Oh Uh Oh  
AK 2000  
Oh Uh Oh

It happened quickly  
All of a sudden  
I was caught up with another man  
Who wanted  
To be closer  
But now  
I know better and I'm  
Hoping  
We Can  
Start Again

I know that does not take away what I have done  
So  
Let me show you how deep my love goes  
For you  
Cause you live and learn that's how you find out who is true  
And I found out that you were the one

I was deceived  
Baby please forgive me  
Don't want what we had to change  
It's easier for us to get further  
Don't look in the rear view mirror

Now that we are  
Back again together  
I want to show you  
How I mean forever  
I'll do my best to shower  
You with a bit of 'tention  
Don't ever have to mention  
A song after it ends

I know that does not take away what I have done  
So  
Let me show how deep my love goes  
For you  
Cause you live and learn that's how you find out who is true  
And I found out that you were the one

I was deceived  
Baby please forgive me  
Don't want what we had to change  
It's easier for us to get further  
Don't look in the rear view mirror

I can't change what I had done before  
But now I know that you love me so much more  
Than anything that had ever come my way  
Keep your eyes on what we have today

I was deceived  
Baby please forgive me  
Don't want what we had to change

It's easier for us to get further  
Don't look in the rear view mirror

I was deceived  
Baby please forgive me  
Don't want what we had to change  
It's easier for us to get further  
Don't look in the rear view mirror

I was deceived  
Baby please forgive me  
Don't want what we had to change  
It's easier for us to get further  
Don't look in the rear view mirror

We can get past the past  
Don't have to run so fast  
We can look back on them in the rear view mirror

I was deceived  
Baby please forgive me  
Don't want what we had to change  
It's easier for us to get further  
Don't look in the rear view mirror
