

Alicia Keys, Try Sleeping With A Broken Heart

Even if you were a million miles away

I could still feel you in my bed

Near me, touch me, feel me

And even at the bottom of the sea

I could still hear you inside my head

Telling me, touch me, feel me

And all the time, you were telling me lies

So tonight, I'm gonna find a way to make it without you

Tonight, I'm gonna find a way to make it without you

I'm gonna hold on to the times that we had

Tonight, I'm gonna find a way to make it without you

Have you ever tried sleeping with a broken heart?

Well, you could try sleeping in my bed

Lonely, own me, nobody ever shut it down like you

You are the clown, you made my body feel heaven bound

Why don't you hold me, need me

I thought you told me you'd never leave me

Looking in the sky, I could see your face

And I knew right where I fit in

Take me, make me, you know that I'll always be in love with you

Right 'til the end

So tonight, I'm gonna find a way to make it without you

Tonight, I'm gonna find a way to make it without you

I'm gonna hold on to the times that we had

Tonight, I'm gonna find a way to make it without you

Anybody could've told you right from the start it's about to fall apart

So rather than hold on to a broken dream, I'll just hold on to love

And I could find a way to make it, don't hold on too tight

I'll make it without you tonight

So tonight, I'm gonna find a way to make it without you

Tonight, I'm gonna find a way to make it without you

I'm gonna hold on to the times that we had

Tonight, I'm gonna find a way to make it without you
