Alicia Keys, Try Sleeping With A Broken Heart

Even if you were a million miles away<br /&gt;

I could still feel you in my bed<br /&gt;

Near me, touch me, feel me<br /&gt;

<br /&gt;

And even at the bottom of the sea<br /&gt;

I could still hear it inside my head<br /&gt;

Telling me, touch me, feel me<br /&gt;

And all the time, you were telling me lies<br /&gt;

<br /&gt;

So tonight, I'm gonna find a way to make it without you<br /&gt;

Tonight, I'm gonna find a way to make it without you<br /&gt;

I'm gonna hold on to the times that we had<br /&gt;

Tonight, I'm gonna find a way to make it without you<br /&gt;

<br /&qt;

Have you ever tried sleeping with a broken heart?<br /&gt;

Well, you could try sleeping in my bed<br /&qt;

Lonely, own me, nobody ever shut it down like you<br /&gt;

<br /&gt;

You are the clown, you made my body feel heaven bound<br /&gt;

Why don't you hold me, need me<br /&gt;

I thought you told me you'd never leave me<br /&gt;

<br /&gt;

Looking in the sky, I could see your face<br /&gt;

And I knew right where I fit in<br /&qt;

Take me, make me, you know that I'll always be in love with you<br /&gt;

Right 'til the end<br /&gt;

<br /&gt;

So tonight, I'm gonna find a way to make it without you<br /&gt;

Tonight, I'm gonna find a way to make it without you&It;br />

I'm gonna hold on to the times that we had<br /&gt;

Tonight, I'm gonna find a way to make it without you&It;br />

<br /&gt;

Anybody could've told you right from the start it's about to fall apart<br /&gt;

So rather than hold on to a broken dream, I'll just hold on to love<br /&qt;

And I could find a way to make it, don't hold on too tight<br /&gt;

I'll make it without you tonight<br /&gt;

<br /&qt;

So tonight, I'm gonna find a way to make it without you<br /&gt;

Tonight, I'm gonna find a way to make it without you<br /&gt;

I'm gonna hold on to the times that we had<br /&gt;

Tonight, I'm gonna find a way to make it without you
