

Alicia Keys, Try Sleeping With Broken Heart

Even if you were a million miles away
I could still feel you in my bed
Near me, touch me, feel me
And even in the bottom of the sea
I can still hear inside my head
Telling me, touch me, feel me
And all the time you were telling me lies
So tonight Im gonna find a way to make it without you
Tonight Im gonna find a way to make it without you
Im gonna hold onto the times that we had
Tonight Im gonna find a way to make it without you
Have you ever tried sleeping with a broken heart
Well you can try sleeping in my bed
Lonely, only, nobody ever shut it down like you
You wore the crown, you make my body feel heaven-bound
Why dont you hold me, need me, I thought you told me
Youd never leave me
Looking in the sky I can see your face
And i knew right where Id fit in
Take me, make me
You know that Ill always be in love with you
Right til the end
So tonight Im gonna find a way to make it without you
Tonight Im gonna find a way to make it without you
Im gonna hold onto the times that we had
Tonight Im gonna find a way to make it without you
Anybody could have told you right from the start
Its bout fall apart
So rather than hold onto a broken dream
Or just hold onto love
And I could find a way to make it
Dont hold on too tight
Ill make it without you tonight
So tonight Im gonna find a way to make it without you
Tonight Im gonna find a way to make it without you
Im gonna hold onto the times that we had
Tonight Im gonna find a way to make it without you
