## Alicia Keys, Try Sleeping With Broken Heart

Even if you were a million miles away I could still feel you in my bed Near me, touch me, feel me And even in the bottom of the sea I can still hear inside my head Telling me, touch me, feel me And all the time you were telling me lies So tonight Im gonna find a way to make it without you Tonight Im gonna find a way to make it without you Im gonna hold onto the times that we had Tonight Im gonna find a way to make it without you Have you ever tried sleeping with a broken heart Well you can try sleeping in my bed Lonely, only, nobody ever shut it down like you You wore the crown, you make my body feel heaven-bound Why dont you hold me, need me, I thought you told me Youd never leave me Looking in the sky I can see your face And i knew right where Id fit in Take me, make me You know that III always be in love with you Right til the end So tonight Im gonna find a way to make it without you Tonight Im gonna find a way to make it without you Im gonna hold onto the times that we had Tonight Im gonna find a way to make it without you Anybody could have told you right from the start Its bout fall apart So rather than hold onto a broken dream Or just hold onto love And I could find a way to make it Dont hold on too tight Ill make it without you tonight So tonight Im gonna find a way to make it without you Tonight Im gonna find a way to make it without you Im gonna hold onto the times that we had Tonight Im gonna find a way to make it without you
