

# Alicia Keys, We Are Here

We are here  
We are here for all of us  
We are here for all of us  
That's why we are here, why we are here  
We are here

Bombs over Baghdad  
Tryna get something we never had  
Let's start with a good dad  
It's so real but it's so sad  
And while we burning this incense  
We gonna pray for the innocent  
Cause right now it don't make sense  
Right now it don't make sense

Let's talk about Chitown  
Let's talk about Gaza  
Let's talk about, let's talk about Israel  
Cause right now it is real  
Let's talk about, let's talk Nigeria  
And the mass hysteria, yeah  
Our souls are brought together  
So that we can love each other, brother

We are here  
We are here for all of us  
We are here for all of us  
That's why we are here, why we are here  
We are here

No guns made in Harlem  
But yet crime is a problem  
He wanna shot 'em, wanna rob 'em  
Single mother, where they come from  
How we gonna save the nation  
With no support for education  
Cause right now it don't make sense  
Right now it don't make sense

Let's talk about our part  
My heart to your heart  
Let's talk about, let's talk about living  
Had enough of dying  
Not what we all about  
Let's do more giving, do more forgiving, yeah  
Our souls are brought together  
So that we could love each other, sister

We are here  
We are here for all of us  
We are here for all of us  
That's why we are here, why we are here  
We are here  
We are here for all of us  
We are here for all of us  
That's why we are here, why we are here  
We are here

We are here  
We are here for all of us  
We are here for all of us  
That's why we are here, why we are here  
We are here  
We are here for all of us

We are here for all of us  
That's why we are here, why we are here  
We are here  
We are here for all of us  
We are here for all of us  
That's why we are here, why we are here
