Alicia Keys, You Don't Know My Name

Baby, baby, baby
From the day I saw you
I really really want to catch your eye
There's something special 'bout you
I must really like you
Cause not a lotta guys are worth my time
Ooo baby, baby, baby
It's gettin kind of crazy
Cause you are takin over my mind

And it feels like oooooo But you don't know my name

And I swear it feels like ooooo ooooo ooooo

You don't know my name

(round and round we go, will you ever know)

Oh baby baby late I see us on our first date You're doin everything that makes me smile And when we had our first kiss It happened on a Thursday Ooooo it set my soul on fire Ooo baby baby baby I can't wait for the first time My imagination's runnin wild It feels like ooooo You don't know my name And I swear it baby, it feels like oooo ooooo o

(round and round and round we go, will you ever know)

"I'm sayin, he don't even know what he's doin' to me Got me feelin' all crazy inside

I'm feelin like"

Owww! Ooooo Oooooo

Doin more than I've ever done for anyone's attention

Take notice of what's in front of you

Cause did I mention you're 'bout to miss a good thing

And you'll never know how good it feels to have all of my affection

And you'll never get a chance to experience my lovin'

Cause my lovin' feels like ooooooo

You don't know my name

(round and round and round we go, will you ever know

And I swear it feels like oooo ooooo ooooo

You don't know my name

(round and round and round we go, will you ever know)

Ohhh

Will you ever know it, no no no no no

Will you ever know it?

"I'm gonna have to just go ahead and call this boy.

Hello? Can I speak to -- to Michael?

Oh hey, how you doin?

Uh, I feel kinda silly doin' this,

But um, this is the waitress from the coffee house on 39th and Lennox

You know, the one with the braids?

Yeah, well I see you on Wednesdays all the time

You come in every Wednesday on your lunch break, I think

And you always order the special, with the hot chocolate

And my manager be tripping and stuff

Talking bout we gotta use water

But I always use some milk and cream for you

Cause I think you're kinda sweet.

Anyway you always got on some fly blue suit

'n your cufflinks are shining all bright

So, whatchu do? Oh, word? Yeah, that's interesting Look man, I mean I don't wanna waste your time but

I know girls don't usually do this,

But I was wondering if maybe we could get together

Outside the restaurant one day

Cause I do look a lot different outside my work clothes

I mean we could just go across the street to the park right here

Wait, hold up, my cell phone's breakin up, hold up

Can you hear me now? Yeah

So, what day did you say?

Oh yeah, Thursday's perfect, man:."

And it feels like oooo

You don't know my name

(round and round and round we go, will you ever know)

Baby Baby I swear it's like oooooo

You don't know my name, no no no

(round and round and round we go, will you ever know)

And it feels like oooo

You don't know my name

(round and round and round we go, will you ever know)

And I swear on my mother and father it feels like

O000 000 0000 000 000 000

O000 000 0000 000 000 000

O000 000 0000 000 000 000

You don't know my name

(round and round and round we go, will you ever know?)
