

Alicja Boratyn, A la la song

I took a ride to see a friend
Never thought that I would reach the end
When I arrived she wasn't there
I needed sleep, I didn't care
I knew that I would miss the flight
I found a place to spend the night
And in the mirror I could see
There was someone looking back at me
A la la la
Oh God I'm glad I locked the door
When I woke that morning on the floor
I guess that dreams had filled my head
Now I know why I fell out of bed
And in the mirror I could see
There was someone looking back at me
A la la la
