

Alien Ant Farm, Good (for a woman)

Leathre Skin

Lately it's what I've been thinking about

This alien girl from above

We can share our love

I got it good for a woman

She's something else

She's not quite human(2x)

Venusian Queen

You're so bright the sun gets mean

I swear it's a dream

But i pinch myself and your still green

I got it good for a woman

She's something else

She's not quite human

I'm head over heels for this space case

Something rhymes and no one fades

I got it good for a woman

She's something else

She's not quite human

My head's spinning

Around the world and back again(2x)

I got it good for a woman

She's something else

She's not quite human(2x)
